Allowance

1. Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner notes that none of the prior art of record teaches a power saving effect calculating unit comprising: a computing unit that calculates power consumption based on an output unit; and a unit that generates a power-saving effect at the time of general operation of the inverter compared to a commercial operation without the inverter, is calculated from the instantaneous power consumption at the time of a general operation of the inverter obtained from the computing unit and data resulting from a comparison of a first instantaneous power consumption at the time of the general operation of the inverter and a second instantaneous power consumption at the time of commercial operation without the inverter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Kim whose telephone number is 571-272-2217.
